Please find below and/or attached an Office communication concerning this application or proceeding.

Drawings

Figure 5 on page 11 does not come within the exceptions of 37 CFR 1.58(a). A new drawing, provided with the requirements of 37 CFR 1.81, is required in reply to this notice in order to avoid abandonment of the application. Applicant is also required to delete the illustration from page 11 in the specification and provide any necessary amendment to the text of the specification to correspond to the drawing change.

This objection will not be held in abeyance. As the application has already been allowed, a formal drawing is required in response to this notice.

Applicant is hereby given **ONE MONTH** from the mailing date of this notice or until the expiration of the period set in the "Notice of Allowance" (PTOL-85) or "Notice of Allowability" (PTOL-37 or PTO-37), whichever is longer, to file the new drawing.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jill A. Warden whose telephone number is (571) 272-1267. The examiner can normally be reached on Mondays-Thursdays from 5:30 AM to 2:30 PM.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
